

NEW SETTLEMENT NEAR HARSHAW

Western Portion of Oneida County Is Steadily Becoming Populated

The country in the vicinity of Harshaw, this county, is rapidly becoming developed by actual settlers who are being brought to that section from the southern part of the state through the efforts of the Oneida County Land Company. This concern which was until lately known as the South-Western Timber Land Company has established temporary headquarters at Camp Ruth and is building up a settlement there. Between twenty-five and thirty families have arrived there within the last few weeks and have started to establish homes for themselves on land bought from the company. The soil in that section is rich and right for farming purposes. Many of the new settlers have taken contracts to stump small tracts owned by Milwaukee professional and business men, who have bought the lands as investments. A power stump puller has been placed in operation for this work.

Camp Ruth is situated on the Little Rice river about nine miles directly west of Rhinelander and three miles from Harshaw, the nearest post office. It is on the line of the new Cassian-Rhinelander road. The people there will have the benefit of this highway and thereby be able to easily reach the Rhinelander market. Small tributary roads which will connect with the town road are being constructed.

The prediction is made that the territory around Camp Ruth will before many years have passed mature into a prosperous, thriving farming community.

FOREST RANGERS REPORT FOR WORK

Deputy Forester Moody Will Superintend Operations of Men

F. B. Moody, assistant state forester, has received the list of names of young men who will serve under him as state forest rangers in northern Wisconsin. These rangers were appointed from the class that recently took the civil service examination in this city. They are the eleven applicants whose markings ranked the highest. Following are the successful ones in the order of their standing: Fredrick G. Wilson, Plymouth; Chas. B. Vaughan, Rhinelander; Ellis M. Weaver, Woodruff; Jno. J. McDonald, Tomahawk; Albert E. Doolittle, Arbor Vitae; John W. Dougherty, Minocqua; Robt. C. Jakoubek, Phillips; John F. Hammes, Padus; Clayton Vaughan, Rhinelander; Henry B. Johnson, Phillips; Chas. Flyer, Dovre.

The rangers commenced their work May 1st. Their duties consist in looking after the state forest reserve which is located chiefly in Oneida, Forest, Vilas and Price counties.

The headquarters of the rangers will be at Trout Lake. Each man will cover a certain district and his work will be directed from the head camp. Mr. Moody will be in complete charge of the corps and all operations will be carried on under his direction.

The salary of the rangers is \$60 per month on the start and it is expected that this amount will be largely raised as the work advances.

DIETZ TRIAL IS ON

The trial of the famous John F. Dietz, Cameron Dam defender, is now at Hayward. Judge A. H. Reid, of this circuit, is presiding. Dietz is acting as his own lawyer.

MAURICE GETS THE BABY

His Number Wins The Much Talked Of Prize At The Grand

Visitors of nursing bottles, safety pins and cradles fitted through the mind of Maurice Perlman, Saturday evening, when it was announced from the stage of the Grand Opera House that his number had won the baby. Maurice's usual beaming countenance took on a woeful expression and became the crimson hue of the proverbial beet. How would he ever care for the child and what would his parents say when he brought home another addition to the family? These and other perplexing questions concerning the "kid" loomed before him in rapid succession as with knees trembling he falteringly approached the stage to receive his prize. But lo, instead of a pink toed, cooing infant, there was tenderly placed in Maurice's arms a tiny lamb. And then the curtain went down.

BIG GAIN FOR THE M. E. CHURCH

Thirty-Eight People Join Church As Result Of Evangelists' Visit

Thirty-eight people have thus far been received into the Methodist church as a result of the recent revival. Still, others will be admitted to membership next Sunday and a class will be baptized.

The meetings were closed last Monday night, and a goodly number went down to the train to bid messrs. Reed and Johnson farewell. The chorus choir which was organized and conducted by Mr. Johnson will be continued for a time to assist the regular choir. A farewell offering of nearly one hundred dollars was handed these men for their services.

Evangelism has a better standing in this town today because of the unoffensive work of these men. They were not given to harsh and bitter statements, but impressed everybody with their brotherly spirit. Their receiving simply a free-will offering gave no occasion to charge them with working simply for money. They have left behind a host of friends who would be pleased to welcome their return another winter.

DYNAMITERS BLOW UP TRIPP'S STORE

Outrage Occurs Saturday Night Loss Total---Family Has Narrow Escape

The large general store of F. R. Tripp in the town of Sugar Camp, this county, was dynamited at 12:15 o'clock Saturday night. The building and contents were totally destroyed. Fire followed the explosion and soon reduced the structure to ashes.

Mr. and Mrs. Tripp, who occupied apartments on the second floor of the store, were violently hurled from their beds by the force of the explosion, but were uninjured. Their escape seems almost a miracle. Stunned and partly dazed by the terrific shock they managed to grope their way out of the building before the flames had gained much headway.

Last Thursday night one hundred pounds of dynamite was stolen from Mr. Tripp's powder repository. It is thought that a portion of this was used in wrecking the store.

The explosive was placed under the front part of the building. Mr. Tripp says that he had a strange premonition of impending danger that night and was only partly asleep when the explosion occurred.

No clue as to the perpetrators of the crime has been obtained. Mr. Tripp declines at this time to make a statement for publication. He is unable to give an accurate estimate of his loss.

PARKER IS NEW BOARD CHAIRMAN

Fifth Ward Supervisor Is Honored Tuesday By His Fellow Members

The first meeting of the new county board was opened at the court house Tuesday afternoon and its business was closed Wednesday at noon. A surprise was sprung in the election of F. E. Parker by acclamation for chairman.

Mr. Parker has served one term on the board and has been an active member, but few thought that he would carry off the honors after so short a service. If the first meeting is an indication of Mr. Parker's ability as an executive officer, surely no one will have reason to regret his election as chairman.

Henry Wubker Sr., was elected vice chairman. Mr. Wubker is a veteran on the board and knows its workings thoroughly.

The following committees were appointed by the chairman to serve the ensuing year:

General Claims—D. A. Kahn, E. Kloes, J. J. Lubold, B. F. Jillson, J. T. Kavanagh.

Poor and Pauper Claims—James G. Dunn, J. Bernstein, J. C. Barlow, H. E. Keppler, Andrew Olson.

Public Property—A. W. Browne, H. Wubker, James G. Dunn, J. Barlow, Andrew Olson.

Sheriff and Justice Claims—Matt Conniff, E. W. Behike, R. C. Leudke, A. McGillis, Clifton Keeler.

Settlement with County Officers—E Kloes, Wm. Fisher, Steve Novak, Everett Towne, H. E. Keppler.

Illegal Taxes—E. W. Behike, A. W. Brown, J. Bernstein, H. Wubker, A. McGillis.

County Apportionment and Finance—Geo. Marshall, A. W. Brown, D. A. Kahn, J. J. Lubold, B. F. Jillson.

Highway and Bridges—H. Wubker, Matt Conniff, R. C. Leudke, J. T. Kavanagh, Geo. Marshall.

Printing Claims—Everett Towne, C. B. Howe, Wm. Fisher.

Towns and Cities—Clifton Keeler, Steve Novak, C. B. Howe.

Aside from the allowance of bills much new road and bridge work was planned for the summer, in fact, the outlook is bright for the accomplishments of Oneida county board.

The proceedings of the board will be printed in full in succeeding New Norths.

FACTORY GOES TO WAUSAU

W. E. Jones Decides On That City As Best Site For Plant.

William E. Jones of Manistee, Mich. who was in Rhinelander a few weeks ago for the purpose of establishing a factory for the manufacture of alkali and by-products from wood ashes here, has decided to locate the plant at Wausau. A \$2000 structure will be put up there. On the start eight men will be employed and the output will be three barrels of alkali a week. The pay roll and capacity of the plant will be increased as business demands.

Mr. Jones is said to have been favorably impressed with this city as a site for his factory but, it is understood, was unable to make a satisfactory deal for the purchase of ash. While this is a small industry it would have been a help to the city.

"MURPHY" VANISHES

"Murphy," the slant eyed Oriental, who has for some months past demonstrated the virtues of "Nine O'Clock Washing Tea" and "Wiggle Stick" at 15 S. Brown Street, mysteriously departed from this busy burg, Monday. He hinted to no one of his intentions and left behind him a full grown laundry also various bundles of uncalled for "washy washy." Undoubtedly he has accumulated a fortune in the laundry business and will return to Hong Kong and bequeath his people libraries in an effort to live poor.

SUES FOR FALSE ARREST

Ike Revoyer Asks \$25,000 From Tim Kelly—Both Known Here

Isaac Revoyer has begun suit in the Gogebic county, Mich., circuit court against Timothy A. Kelly, claiming \$25,000 damages for alleged false imprisonment. Both men live at Watersmeet and have many acquaintances in Rhinelander.

Revoyer was placed under arrest in June of last year on a warrant sworn out by Kelly charging him with putting dynamite in a highway with intent to have the same explode when Kelly's team drove over it. Pending the preliminary examination, Revoyer failed to furnish bonds and was confined in the county jail for ten days. When the examination was held at Bessemer last August, Revoyer was discharged for lack of evidence.

TWO BALL TEAMS FOR RHINELANDER

Fans Are Promised Plenty of Sport During The Approaching Season

From present indications there will be sufficient base ball in Rhinelander this year to satisfy the most ardent fan. Aside from the regular team composed of semi-professional material there will be a second club comprised entirely of local talent. This nine which was organized a few days ago will play games on the home grounds with outside teams on Sundays and other occasions when the regular club is filling engagements away from the city. An effort will also be made to obtain games with visiting teams on days when the semi-pros are playing some star aggregation here. The fans will then be given the unusual opportunity of seeing two big battles for one admission fee.

The line-up of the second nine is as follows:

Catchers—"Mickey" Jennings and Walter Braeger.

Pitchers—Alex Sherman and Earl Ruggles.

Short Stop—Fred Swanson.

1st Base—Carl Larson.

2nd Base—Aldon King.

3rd Base—Steve Gwidt.

Left Field—Albert Meino.

Center Field—Ely Payette.

Right Field—Bill Rausman.

An exhibition game with the regulars will be played, Sunday, May 14.

Players Are Expected

Chas. Belliel, Manager of the Rhinelander base ball team, expects the arrival of several of his players within the next week. The team will be permanently organized for the first game with Wausau, May 21.

GRIND OF MUNICIPAL COURT

Game Law Breaker Is Fined—Lischneck Resists Officer.

For Having green deer skins and hides in his possession contrary to law, Lon Allen, of McNaughton, was fined \$25 and costs or 30 days in jail by Judge Walker. Not having the money handy, Allen took the jail sentence. The offender was arrested by deputy game warden, Berg and Russell, who caught him with the goods.

The building will be built of solid brick with dimensions 20x100 feet. It will be one story in height with a seating capacity of 450. There will be a floor elevation of 4½ feet with an open lobby. The theater will have four exits, two in the front and two in the rear. With this arrangement the house can be emptied within a wonderfully short space of time, no matter how large the crowd.

Mr. Perinier will commence work on the contract very soon. The building will be thoroughly equipped and furnished for moving picture exhibitions and when ready for occupancy will be one of the finest theaters of its kind in Wisconsin.

Myron Wadsworth of South Butler, N. Y., was in the city today, in the interests of the W. L. Douglas Shoe company. He called on his old boyhood chum, F. A. Lowell,

MILLER CASE IS STILL A MYSTERY

No New Developments In The Strange Disappearance Of Old Soldier

Up to the hour of going to press nothing new has developed in regard to the disappearance of H. S. Miller and the whereabouts of the old gentleman remain as blind a mystery as when he was reported missing eleven days ago. A systematic and careful search has been made of every locality where it was thought Mr. Miller might have wandered, but not the slightest trace of him has been discovered. All manner of theories have been advanced as to what happened to the old gentleman. The most common of these is that he has been lost in the deep underbrush and perished from exposure and that his body is so hidden that searchers are unable to find it. Another is that he has lost his life in one of the lakes or streams. His family and friends find it hard to harbor these beliefs and still cling to the hope that he is somewhere alive and well. Two or three people have claimed to have seen men answering Mr. Miller's description in nearby towns but investigation of their stories have had no results.

Attorney S. S. Miller, son of the missing man, feels very grateful toward the people of Rhinelander for the assistance they have rendered in searching for his father and also for the kind words of sympathy extended to the family.

MOVE TO RHINELANDER

Mr. and Mrs. E. K. Reik have arrived in Rhinelander from Lisbon, N. D., and will become permanent residents here. Mr. Reik is a brother of R. A. Reik, manager of the Rhinelander Refrigerator Company, and has taken a position with that concern.

NOT MR. MILLER'S HAT

S. S. Miller is positively certain that the black hat found in the woods near the ridge way today, was not worn by his father, H. S. Miller. It was at first believed that the hat was the property of the old gentleman and would form a clue to his whereabouts.

ZANDER TO BUILD A NEW THEATER

S. G. Perinier Gets Contract For Modern Moving Picture Show House

Rhinelander is to have a new moving picture theater. Herman Zander, proprietor of the Majestic, has given to S. G. Perinier, the contract for the construction of a modern up-to-date structure on Brown Street, near the site of his present show house.

The building will be built of solid brick with dimensions 20x100 feet. It will be one story in height with a seating capacity of 450. There will be a floor elevation of 4½ feet with an open lobby. The theater will have four exits, two in the front and two in the rear. With this arrangement the house can be emptied within a wonderfully short space of time, no matter how large the crowd.

Mr. Perinier will commence work on the contract very soon. The building will be thoroughly equipped and furnished for moving picture exhibitions and when ready for occupancy will be one of the finest theaters of its kind in Wisconsin.

WITH THE CITY FATHERS

Considerable Business Transacted At Council Meeting.

At the council meeting last Tuesday evening the resolution was passed to radicimize Brown St., Baird Avenue, Oneida Avenue and Eastern Avenue as printed in previous resolutions. Two hundred dollars was appropriated for a normal school site fund. Fifteen dollars was appropriated for proper observance of Memorial Day. May 13th was set as clean up day. A resolution was passed giving the regular police men, waterworks engineers and members of the fire department two weeks vacation each year. The board of public works was instructed to choose a suitable place to build sheds for market purposes. Three ordinances of importance were passed and are printed in the paper this week, one relating to fast driving of motorcycles and automobiles, another relating to the use of fire arms and explosives and third pertaining to sale and gift of fire arms.

ASSESSORS HOLD ANNUAL MEETING

B. N. Moran Tells His Idea Of Placing Values On Cut-Over Lands Of County

The annual meeting of Oneida county assessors was held at the court house last Friday under the conduction of B. N. Moran, supervisor of assessments. The gathering was well attended, the following assessors being present:

Henry Wiedemann, Crescent; Frank Saari, Lynne; Wilbur Johnson, Minocqua; John Calver, Monroe; Larry Nolan and Henry Wubker Jr., Newbold; Alfred Scheidegger, Pelican; Joseph Ritz, Piehl; John Dreizelke, Schoepke; Anton Stefonick Jr., Sugar Camp; John Small, Three Lakes; Louis Genett, Woodboro; E. M. Weaver, Woodruff; F. Patterson, Rhinelander.

Different ideas in regard to assessing property, both real and personal, and other matters pertaining to the duties of assessors were thoroughly talked over. Through the discussion those present obtained many valuable pointers which will prove of assistance to them in their work.

Mr. Moran in his address to the men under his charge stated that he would manage to visit each and every town in the county during the year to assist the assessors in placing valuation on timber lands. He said that in his opinion the method of assessing lands in this county is wholly wrong for the reason that cut over lands in the various towns are being assessed at uniform values. Mr. Moran's idea is that each forty should be assessed as a separate parcel and valuation made according to its worth.

Mr. Moran's talk was filled with logic and sound argument and made a pronounced impression among his hearers.

Bankrupt Stock Sale

Tibbs Hutchings & Co.

Wholesale Dry Goods, Minneapolis,
Minnesota. Now on sale at

Jacobson's Store Rhinelander, Wis.

Sale will last just one week from Saturday, May 6th to
Saturday, May 29th, 1911

Tibbs, Hutchings & Co., one of the largest wholesale general merchandise houses in the west has become financially embarrassed, and is now in the hands of the United States Court.

The receivers appointed by the Court to liquidate the business, are the Minnesota Loan and Trust Co. of Minneapolis, Minn. The United States Court ordered the receivers to sell the large stock of Tibbs, Hutchings and Co., amounting to about \$3,000,000 and pay all creditors.

In order to sell such a large amount of stock they are cutting prices and are selling merchandise that is known among the trade as the best in the world, very much below the market price. These reductions have attracted the attention of the largest buyers in the country and the stock is now being sold to the largest stores in the large cities. We were fortunate in securing a very large amount of these desirable merchandise, and while this is being written, wagon loads of goods are being unloaded at the doors.

Saturday we will be ready with the Biggest Bargains Rhinelander ever heard of.

Buy now all the goods you need for present use, for summer use and for next fall and winter use and save from 50c to 75c on the dollar.

EVENTS OF WEEK IN OTHER TOWNS

Items of More or Less Importance Boiled Down From Neighboring Exchanges

Marshfield

A case of rabies has been discovered here through the examination at Madison of the head of a dog that ran amuck and bit a girl and a boy. Mayor Robert Connor has issued a strict order to the police to shoot all dogs running loose without a muzzle. Effie Haight, who was bitten, has been rushed to Madison for treatment.

Merrill

The Chris Solum Shoe Company will begin operations as soon as the machinery for the plant arrives which will be within a few weeks. Work on the remodeling of the factory building is being pushed and it is expected to have the plant in active running order June 1 or sooner. Heavy shoes, such as are in demand among farmers, cruisers, woodsman and fishermen, will be manufactured. This factory will in time develop into an important industry, employing a large number of workmen.

Ashland

The ore season unexpectedly started off here with a rush. Ten days ago it was generally conceded that it would be some time before the movement down the lakes commenced. The loadings of ore on the Gogebic range is assuming large proportions. The Newport mine, which during the season furnishes 75 cars a day to the Northwestern road, has placed a steam shovel in commission and will be the scene of extensive operations from now on. Twenty-nine million tons of ore have been blocked out at this mine, and it is believed that there is more than that available.

Gladstone

The jury in the case of Abraham A. Rogers and Dr. D. N. Kee, both of this city, returned a verdict awarding the plaintiff damages to the amount of \$1000. The case attracted considerable attention. The action

commenced on the claim that when in the venture, the plaintiff suffered a fracture and a partial dislocation of the hip. Some time ago, the case was improperly diagnosed by the defendant with the result that the plaintiff was made a cripple for life. Dr. Kee will appeal to the supreme court.

Ironwood

Peter Krowl, twenty years of age, lost his life by drowning in an open well into which he stumbled while walking in the night time in the rear of Kropke's boarding house. Krowl and several companions were celebrating in the house when he stepped out doors and did not return. Thinking that he had wandered downtown his friends paid but little attention to his absence. The next morning when Kropke, the boarding house keeper, went to draw a pall over his dead body at the bottom of the well.

Washburn

A draft for \$1927.67 has been received by District Attorney Alford from the Massachusetts Bonding and Insurance Company and the same has been deposited in the County treasury to cover the amount of the shortage of Ex-County Treasurer Lien. This settles the claim so far as the county is concerned.—The big Stearns mill in this city is now operating night and day. About two hundred men are now employed in and about the mill and a large amount of lumber is being turned out daily. The plant will continue to run full capacity until the end of the season in the fall.

Ladysmith

The new Rusk County Bank will open for business in this City about May 15. The institution was incorporated as a state bank two weeks ago, with F. P. Ainsworth of Neillsville, Glenn Williams and W. S. Manning of Ladysmith, as incorporators. It is not definitely known who any local people will be interested in the new bank. The capital stock is \$25,000. A. Koppenard of Lake Preston, S. D., and F. P. O'Malley of Montgomery Minn., have moved to this city to remain as resident managers of the bank.

Marinette

A deal has been consummated between the I. Stephenson Company and Chas. Schaefer of Marquette which will result in the construction of a pig iron plant at Wells, Mich. It is understood that Geo. H. Bruce of Marquette is interested with Mr. Schaefer.

HAVING A HARD TIME

What Hines Told A Former Resident Of This City

In the legislative investigation of the Lorimer scandal at Springfield, Ill., the name of a man who once resided in Rhinelander was mentioned though incidentally, and not because our former citizen had taken any part in the intrigues that preceded the election of the "blond boss."

W. H. Cook, one of the witnesses before the committee, testified that he met Henry Turfitt, an Oregon lumberman, in the Grand Pacific hotel early in May 1900. When asked by Turfitt how he was getting on in Washington, he said Hines replied:

"Oh, I am having a —— of a time. Now, there is Stephenson. I elected him and now he has gone down to Washington and started to work for free lumber. Just like the southern Democrats, I get them all fired up today and tomorrow they flop."

Mr. Turfitt followed woods life while in Rhinelander. He is now a millionaire lumberman of Duluth.

FOR AGED PEOPLE

Old Folks Should be Careful in Their Selection of Regulative Medicine

DOING THEIR DUTY

Scores of Rhinelander Readers Are Learning the Duty of the Kidneys To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are sick.

Backache and many kidney ills follow;

Help the kidneys do their work. Doan's Kidney Pills build up weak kidneys.

Rhinelander people endorse our claim.

Mrs. W. E. Snow, 910 Margaret Street, Rhinelander, Wis., says:

Doan's Kidney Pills have been very beneficial to members of my family and I know that they can be relied upon to cure kidney and bladder trouble. One member of my family took this remedy when suffering from various symptoms of kidney complaint and in a short time was entirely relieved. I advise other persons afflicted with kidney complaint to give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doans—and take no other.

"TO START A BANK"

Fred Blood of this city who for the past two weeks has been busy excavating for the Badger Four Wheel Drive factory at Clintonville has completed

that work and left for Rhinelander where he will do the excavating for the new bank building in that place. He will also be employed in excavating for the addition to the Rhinelander paper company's plant. Fred is quite a humorist and, upon being asked what he was going to Rhinelander for said, "On this trip I expect to start a bank." The reader may gather from this that there is more than one way of starting a bank.—Antigo Republican.

Pleated Bosom Negligee Shirts

appear best when laundered by us. Our process finishes them so they look and fit as they did when new.

We make the shirt fronts a little stiff, iron them straight and flat, finish the pleats properly, iron the neck-band so it fits and sets just right and we starch and iron the cuffs so they properly match your laundered collar. Contrast this with the appearance of a similar shirt laundered at home or by the washerwoman, and you'll see why men who pride themselves on being "well dressed" send their shirts to us.

ROYAL Baking Powder Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

Royal Baking Powder is made from pure grape cream of tartar, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is more economical at its price than any other leavening agent, because of the superlative quality and absolute wholesomeness of the food it makes.

Mixtures made in imitation of baking powders but containing alum are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use in food. In England, France, Germany and some states of the United States their sale is prohibited by law. Alum is a dangerous mineral acid, and physicians condemn baking powders containing it.

The label of some baking powders used show the ingredients.

Our Interest In You

Does not cease when we have sold you a Kodak. Picture taking is very simple now but if there are any little points that bother you, we are cheerfully ready to help you out. The very complete little instruction books that the Kodak Company issue, show that they too are interested in your success. But we are here on the ground. Let us show you how simple it all is. "At Home With the Kodak" is the title of an illustrated and clearly written little book that the Kodak people have issued on home portraiture.

Whether you have a camera or not we will be glad to give you a copy. Drop us a postal, or if convenient call at the store.

THE NEW NORTH PRINTING CO.
MAY 4, 1911.

Governor McGovern has signed the employer's liability law.

In a recent decision, the supreme court of this state has decided that in the main the civil service law is valid.

Is it not amusing for a newspaper to parade in its columns that it is free from backbiting and knocking and then give such tirades against our leading officers as are found in the clippings of this issue. Judge for yourselves readers.

The Rhinelander News, whose president is getting half rates for lighting his house while people outside his "special privilege family" are paying full rates, and whose secretary is secretary of the Lighting Company, is much alarmed for fear the city will have to pay more for lights than they are now paying after an investigation by the Railroad Commission. Imagine their fear. They do love the dear people; they say so.

The local special interest organ takes offense at the statement that the Brown Bros. homes are lighted at half rates, claiming the whole truth is not told. Worse, and more of it. It is a fact that Brown Bros. mill and planing mill are both lighted at half rate but the schedule of rates fails to show any other mills of this city getting half rates. So far as the good and sufficient reason for these special privileges, we will be glad to have the organ print them so we can comment on them further.

On Tuesday, Sept. 6th, the Republicans of Wisconsin will end the disastrous conditions which have existed for twelve years under the direction and by the inspiration of Senator Robert M. LaFollette, in which the fair fame of the state and the people have been blackened in repeated campaigns.

He is a failure, a falsifier, a definer of character, unfit to represent Wisconsin.—Rhinelander News, Aug. 26, 1910.

Last week the special interest organ gave much space to a long tirade on comparative subscription lists without any real reason for doing so. It has not been our policy to say that we have by far the largest bona fida list of any news paper in Oneida county, but we have and we are willing to put the matter of investigation and comparison in the hands of non-partisan judges to prove our statement. We have no hand bill list, neither is our circulation quite largely made up of three month's subscribers at a reduced rate.

GRAND OPERA HOUSE
WEDNESDAY, MAY 10

Prices 25c-50c-75c-\$1.00

When I investigated the case I found a company may lower its rates without action on the part of the Commission by merely filing the schedule. Under this provision the Rhinelander Lighting Co. lowered its minimum from \$1.50 to \$1.00.

Now, how about the truth of the statement that the Commission has been asked by the Lighting Company to put a valuation on the property? The Commission states as follows:

"We are unable to find ANY RECORD OF ANY ONE REQUESTING A VALUATION OF THE PROPERTY OF THIS COMPANY."

More, the Lighting Company, operating as a corporation, has never issued any corporate stock. Under the law, to do so, it must have the consent of the Commission; this consent would be obtained only upon a valuation by the Commission to determine the amount that could be lawfully issued. The Lighting Company's report shows that consent has never been asked. Does anyone see the reason why?

INSURGENTS BETRAYED

The Insurgents of the U. S. Senate were promised fair play if they would join with the regulars in caucus for committee appointments and were betrayed.

The Chicago-Record Herald says of this:

They had been promised representation on the committees on the basis of their numerical, intellectual and moral strength—or the strength of the states and constituencies back of them. This promise has not been kept. Certainly the insurgent representation on the two important committees of finance and Interstate commerce is inadequate. Neither on geographical nor on broad national or moral grounds can the GALLINGER selections for these committees be defended in the court of reason and fair play. They suggested "packing" and fear of progressive legislation.

The insurgents acted wisely in limiting themselves to a formal protest and refraining from filibustering tactics or time-consuming oratory. Their self-restraint will bring them additional sympathy and authority.

MR. LENROOTS STAND

While Canadian reciprocity was before the House, Mr. Lenroot not only made a great speech against it in its present form, but he participated in the debate throughout, and on the closing day took occasion to make things rather interesting for the Democratic leaders because of their opposition to the amendments that had been proposed, and which, in the judgment of Mr. Lenroot and the opponents of the Canadian reciprocity matter, would have served to better promote agriculture and their interest. Mr. Lenroot said that it was not the purpose to touch the Canadian side of the agreement upon the duties, and he charged that the majority were attempting to deceive the country by their action, adding that: "There is no reason, if you are acting in good faith in desiring to lower duties, why you should not vote for these amendments, and the reason you are not is because you do not want to legislate for the country. You propose a little later to support a bill which you believe will be vetoed and not become a law."

Marquette Eagle-Star says: Mr. Lenroot is a great debater and a great parliamentarian and his chances look bright for the speakership when the republicans again come into power in the house but the local special interest organ gives quite another picture of him.

What does the local special interest organ say of this distinguished representative?

"He presented no argument, of course. Progressives never do, but he told bold rockets lies with ease. His talk was not far different from that given upon the street by the social democrat candidate for sheriff!"

RHINELANDER LIGHTING CO.

The local special interest organ in its issue of April 22, says the following:

"The Rhinelander lighting company has had its rates on file with the commission since the commission was organized and its rates have the support of the commission, but the commission has never put a valuation on the property as has been requested by the lighting company and this will be done."

Now let us see how near this statement is to the truth. In a letter dated May 2, written to the New North the Commission says: "Under the provisions of the public utility law, the rates in effect on April 1, 1907, were made the lawful rates unless changed in compliance with the provisions of the act. The commission has not approved or disapproved of the rates of any company except in cases where such rates are under consideration in proceedings before the Commission."

"The statute also provides that

that the purse had been stolen by Johnnie, the teacher's own fair-haired child, so to speak. To complete matters it was discovered that Johnnie had "split" with dear little truthful Willie and some other curly-haired darlings because Bill had surmised that Johnnie had stolen the purse and had threatened to "switch" if Johnnie didn't "come through" with a "divvy."

"One of the most remarkable things about graft," says the judge, "is the eminently respectable pockets that it finds its way into."

And who but the superlative good have stolen the franchises and the special privileges that will enrich generations of idlers at the expense of the working poor?—Los Angeles Examiner.

The people of this city do not have to look far to see an application of Judge Lindsey's statement.

WHO VOTED FOR McGOVERN?

Why does Francis E. McGovern call himself a Republican? And how can he logically ask the support of any Republican? These are two of the puzzles of the present campaign and neither Mr. McGovern nor any of his henchmen have given satisfactory answers. Mr. McGovern comes to Rhinelander and asks the support of Republicans for the nomination for the governorship and then proceeds to make a two hour harangue in which he attacks practically everything the Republican party has ever done, and calls about every Republican leader a monopolist, grifter, and by implication rogues. He may not be responsible for all he says, as much of his address is stolen from speeches made by Senator LaFollette, Carl Marx and William Jennings Bryan, but this should not gainsay his votes from any thoughtful man, as his statements will not bear investigation. Not once here not even by implication, did Mr. McGovern give evidence of being a republican. As a socialist McGovern far surpasses Mayor Seidell of Milwaukee, and the Social Democrats have their own gubernatorial candidate. The Republicans, the real Republicans, have their candidate perhaps several of them, but not McGovern. Why should they vote for a man who sees only evil in the ranks and in the leadership? Just where he will get his vote cannot be told. That he will cut a small figure in the result is certain. A man must be honest in his statements and stand fairly on certain principles to be accepted by any large factor of the vote.—Local Special Interest Organ, Aug. 3, 1910.

PRaise FOR LaFOLLETTE
While the Tory papers in Milwaukee are making every effort to belittle Senator LaFollette in connection with the presidential contest next year, and are cunningly plotting Senator Cummins on the back with a view to injuring the Wisconsin man, The Boston Transcript—The Boston Transcript, mind you—one of the most conservative of American newspapers—publishes a long editorial in which it flays Gallinger, Penrose, Heyburn, Warren, Smoot and Bradley, typical senatorial Tories, and then it goes on to say this of LaFollette and Cummins:

"Robert Marion LaFollette.—The pioneer Insurgent and anti-corporation propagandist. Vain egotistical quarrelsome and disliked, but at time a teller of unconvincing truths. With all his faults, he stands for real progressiveness. Whether impelled by his own selfish ambition or not, he has made Wisconsin a leader among the states in genuine honesty and enlightened public spirit. No taunt on him."

Albert Baird Cummins—An Insurgent for many years. First booted the Iowa machine on the prohibition question, later on tariff. Regarded by many as insincere and willing to make terms with the enemy. A popular man and a strong debater. Suspected of being a progressive for revenue only."

The Transcript could not be expected to bestow upon Senator LaFollette unstinted praise, or even uncalled-for praise, but when its general policy is considered, then what it says about LaFollette becomes pretty strong praise. It does another surprising thing: It says:

"Senator Lodge belongs, with the Progressives and not with the Regulars. He was elected last January by Progressives. They may have been in minority of the Republicans of this state and of the legislature, but it was a decidedly influential minority."

He does not belong with Gallinger, Warren, Smoot, Penrose, et al omnigenus. Massachusetts dislikes very much to see him voting with them."

The Transcript concludes as follows:

"These Insurgents are voicing popular doctrines and if there is a chance for Republican victory in 1912, they will be the men to bring it about. Mr. Taft has at last found this out."

NEW MAIL ROUTE

Farmers Near Three Lakes To Have Delivery June 1.

While at Antigo a few days ago, F. S. Campbell of Three Lakes stated that people of his section feel very grateful to Congressman Morse for the efforts he put forth in securing for them rural delivery along the chain of lakes in both Vilas and Oneida counties.

The Antigo Republican says:

"Beginning June 1st, farmers having homes along the border of any of the numerous lakes in that section as well as tourists who come from the cities to spend the summer months in God's country can have their mail delivered to them every day. The mail will be distributed and collected every day by means of an electric launch or some other stream-navigable device suitable for that purpose. This same plan has been in effect at Pelican Lake for some time past."

When a Store Is Always Busy... "Doing Business" Is the Trade Phrase...Buying Opportunities Seek It

We are "doing business" and because of this fact we are in a position to buy in tremendous quantities, and because we have a recognized and continuous outlet, many unusual buying opportunities sought us—buying opportunities which any store with years of successful merchandising at its credit would be eager to take advantage of. In fact, they were buying opportunities of such a character that they will not only establish a new selling record, but will establish an Unapproachable new Low Price record. Its just such conditions, through "Keeping faith with the people," that some visitors have called our establishment a bee hive. Not a bad phrase. For bees are "busy" sure enough and they have system, too. They're always "doing" something. So are we. We're giving you the most and the best always for the least money.

Ms. Jos. O'Malley Dies After Short Illness At Hospital

Mrs. Joseph O'Malley passed away after an illness of brief duration at St. Mary's Hospital at 5:30 o'clock last Thursday afternoon.

Mrs. O'Malley, whose name before her marriage was Miss Ida King, was eighteen years of age. Two months ago she returned to this city from Neopit where with her husband she spent the winter.

Aside from her husband, deceased is survived by her parents, two sisters and four brothers. She also leaves a large list of friends who sincerely mourn her departure.

The funeral was held from St. Mary's church at 9 o'clock Monday morning, Dr. Lienfelder conducting the last sad rites. The sympathy of all goes out to the grief stricken husband.

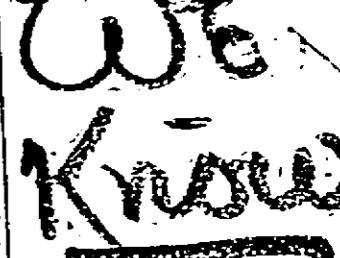

VOGEL'S MINSTRELS PLEASE

Performance Thursday Night Is Strictly Up-To-Date

Vogel's Minstrels held the boards at the Grand Opera House last Thursday evening and gave a creditable performance. The program of the opening first part was strictly up-to-date and the stage setting was one of the most beautiful ever seen at the Grand. The feature acts were very clever, especially the exhibitions of John Goss, the novelty trick bone soloist, and Clarence, the wonderful endurance dancer. The closing act, "The Mysterious Hotel," in which Charley Gano played the leading role, was keenly funny and kept the audience in a tumult of laughter. The company carries a good band and orchestra and the parade at noon was a strong magnet for the show.

LEAVE FOR SWEDEN

Mr. and Mrs. Dennis Hergren and children departed this week for an extended sojourn at Mr. Hergren's old home in Sweden. His health of late has been declining and he believes that the trip abroad will improve his condition.

That money spent in improving your farm will greatly increase your profits—that you will not have any trouble in paying the interest when it comes due and that it will be a benefit to both of us. That is why we make a specialty of long time loans to farmers. Write and see what we can do for you.

AROUND THE CIRCLE

Abe Genett, who formerly run a restaurant in Rhinelander, has taken a higher position as section hand along the Soo Line.

Miss Jennie Malone of Woodboro spent the greater part of last week in this city, the guest of her brother and his wife, Mr. and Mrs. Edward Malone of the Town of Pelican. Miss Jennie has just returned from Milwaukee where she has been attending school the past few years.

Mrs. J. Malone, of Woodboro, is visiting her son, Edward, and wife of the Town of Pelican where she was called by Edward's sudden illness.

Mrs. Thos. Woolney has been kept pretty busy this season, so we are informed, employing men to work on the section along the Soo Line instead of her husband.

A bunch of motorcyclists, headed by A. E. Briggs, took a trip out in the rural districts last Sunday, and as the weather was simply ideal, pronounced it a very pleasant trip. Briggs said that in making Sunset Hill that he only touched a few high spots but, of course, we will have to make a little allowance for he is known to handle the truth rather carelessly sometimes.

Julius Lassig is getting ready for a "Bumper Crop" of strawberries this spring and has goodly acreage set out to that luscious fruit. We wish Mr. Lassig the success he so justly deserves in the crop.

G. Nillington has all prospects of an abundant crop the coming year, both as to field and stock. George has one of the finest families of the Duroc blooded stock their is in Oneida County.

John J. Loubold took his seat on the county board this week and will look after the interests of his constituents to the best of his ability, the widows and orphans, especially the elderly.

Bruce Cook will hold the plow handles for Walter Kerber again this season.

Robert Wells has leased the Mel Sweet place for the coming season and moved his family thereon and commenced business.

Brown Bros. are making some much-needed improvements on their Pelican River farm in the way of new buildings.

A pleasant social took place at the hall in Hamlin Grove Saturday evening in which all who took part pronounced it a success. The music was furnished by the local band consisting of Geo. Hamlin and Charley Christianson. The social was under the management of Chas. Grose.

The old stork was very generous at the home of Mr. Chas. Nordquist, last Friday, when it presented him with fine twins as ever came into Town of Crescent. Charley says they are just what he needs this fall to help husk "Pumpkins". No wonder he wears the smile that "won't rub off."

A pleasant school picnic took place at the Joe McLaughlin school house Friday where Miss Swanson just closed a successful term of school. Ice cream and everything good to eat were served up in fine style and everyone present seemed to enjoy themselves, even the writer was very generously remembered in the distribution of the good things to eat.

C. Rutherford and son are doing the wood stunt for Henry Weideman. H. Weideman informs us that Mrs. Peter Finan has been confined to the Northern Hospital at Oshkosh, where she was recently liberated thinking the case cured, but later she was taken worse. Her children were sent to the Orphan's Home in Green Bay.

Wm. Tucker expects his wife back from Germany soon where she has been for the last year visiting her people.

Mrs. Louis Hass of Lake Julia spent a few days with Mrs. John Sheller of the Town of Pine Lake.

Miss Ella Landberg has been doing the domestic duties at the home of Mrs. C. Nordquist during the latter's illness.

The genial countenance of Mr. Mason Miller was visible upon the city streets last week in his "Horn Wagon". Mason is bound to be "up to date" whether school keeps or not. Richard Lundberg has taken a position with Wm. Hardell as a general farm hand.

HIS FRIENDS ARE SUSPICIOUS
Jas. O'Mella Jr., declares that the residence which he is building on his lot on Baird Ave. is an investment only, and that he has no intention of occupying the same either singly or with a partner. This statement coming from "Jim" himself can hardly be doubted, but at the same time his friends can't help but have their suspicions.

WARNING TO RAILROAD MEN

Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroading. Geo. E. Bell, 639 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroading left my kidneys in terrible condition. There was a continual pain across my back and hips; and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley Kidney Pills to many of my railroad friends."

FLASHES FROM THE HEADLIGHT

BITS OF NEWS PERTAINING TO
THE SOO AND NORTHWESTERN
RAILROADS

In circuit court at Gladstone last
Thursday Eugene Blair and Alvin H.
Damm, who had plead guilty to looting
Soo line freight cars, were arraigned
before Judge Flannigan and released
upon their promise to pay to the railroad
company the full value of the goods
confiscated. Both will be kept under
the eyes of the officials, however, and
in case either makes a bad break they will be taken
into custody.

E. H. Schellenger, night baggage
smasher at the Soo depot, basked in
the sunshine of his best girl's smile
at Escanaba, Sunday. There
is a noise, that sounds like wed
ding bells.

The largest patronage ever given
the Northwestern parlor car by Rhine
lander people since it was put into
service was that of the Schumann
Heink party between this city and
Eland Junction while enroute to and
from Wausau. The colored porter,
who is generally the sole occupant of
the car on this end of the division,
could scarcely believe his eyes when
twenty people boarded the car here
last Thursday morning. It was a
severe jolt for him as he couldn't
catch a wisp of sleep all the way to
Eland.

The uniform inspector of the North
western line will soon make a trip
over the Ashland division for the
purpose of supplying all operators
with uniforms. This is in accordance
with an order issued by the company.
The operators, it is understood, do
not take kindly to this new rule.
They assert that it is a shame to
wear brand new uniforms in the dirty
old depots along this part of the
road.

John Harris is confined in the
Marathon county jail at Stratford,
charged with having placed obstructions
on the Northwestern road near
Stratford on Tuesday of last week.
The obstruction consisted of ties and
spikes and a wreck was narrowly averted.
His examination is set for
May 6.

FOR BALD HEADS

A Treatment That Costs Nothing If
It Fails

We want you to try three large
bottles of Rexall "93" Hair Tonic on
our personal guarantee that the trial
will not cost you a penny if it does
not give you absolute satisfaction.
That's proof of our faith in this remedy,
and it should indisputably demonstrate
that we know what we are talking about
when we say that Rexall "93" Hair Tonic
will grow hair on bald heads, where baldness has been
of such long duration that the roots
of the hair are entirely dead, the
follicles closed and grown over, and
the scalp is glazed.

Remember, we are basing our state
ments upon what has already been
accomplished by the use of Rexall
"93" Hair Tonic, and we have the
right to assume that what it has
done for thousands of others it will
do for you. In any event you cannot
lose anything by giving it a trial on
our liberal guarantee. Two sizes, 50c.
and \$1.00. Remember, you can obtain
Rexall Remedies in this community only at our store—The Rexall
Store. J. J. Reardon Rhinelander

LEAVE FOR NEW HOME
Dr. J. M. Hogan and family left
Saturday for their new home at Osh
kosh where the doctor will immedi
ately commence the practice of his pro
fession. He has leased offices con
veniently located in the business district
there.

The numerous friends of Dr. and
Mrs. Hogan are sorry to see them
leave Rhinelander.

IN THE WAKE OF THE MEASLES
The little son of Mrs. O. B. Palmer,
Little Rock, Ark., had the measles.
The result was a severe cough
which grew worse and he could not
sleep. She says: "One bottle of
Foley's Honey and Tar Compound
completely cured him and he has
never been bothered since." Croup,
whooping cough, measles cough all
yield to Foley's Honey and Tar Com
pound. The genuine is in the yellow
package always. Refuse substitutes.

How Old People May Prolong Their Lives

At advanced age the organs act
more slowly than in youth. Circula
tion becomes poor, blood thin and watery,
appetite failing, and digestion weak.
This condition leaves the system open to disease such as
Coughs, Colds, Grippe, Pneumo
nia, Rheumatism, etc.

VINOL is the greatest health
creator and body builder we know
of for old people, as it supplies
the very elements needed to re
build wasting tissue and replace
weakness with strength.

HERE IS THE PROOF
A case is recorded in Albany, N. Y., of
a woman who felt she was breaking
down, but who had no physical condition.
She had no strength and the slightest exertion
tired her, but VINOL made her well and strong, and she states that she
feels ten years younger than she did before
taking VINOL.

We ask every aged person in
this neighborhood to try a bottle
of VINOL with the understanding
that we will return their money if it
does not prove beneficial.

A BIG JOKE ON THE LYMAN TWINS

The Lyman Twins, the famous
young comedians, who appear at the
Grand Opera House, Wednesday,
May 10, had a funny joke which turned
out to be on them, and which leaked
out through some drummers who thought it too good to keep.

While the twins were playing Duluth
Minn., a short time ago and stopping
at the Spalding Hotel there, one of
the boys went to the dining room and
had his supper before the other and left.

In a few minutes came the other and the head waiter looked at
him very mysteriously and seated
him at the table remarking he never
saw a man who could eat two suppers.

The twin told some drummers at the
table, who, when they heard the joke
howled with delight, thinking
the joke was on the waiter. But next
morning on leaving, the landlord had
H. C. Lyman charged with two sup
pers. He protested, but the
clerk who was a green country boy,
said it was in the book and he had to
collect the money.

The drummers all had another
laugh, as the landlord could not be
found to straighten the matter out.
So the twins had a laugh, remarking,
that's nothing, we got tangled up
worse than that, and left for the
train.

DEATH RESOLUTIONS
"Knut," a common yellow dog
owned by Hans Anderson, seems to
possess a charmed life. About two
weeks ago the little animal was
struck by a motorcycle and badly
hurt. Mr. Anderson thought that
"Knut's" time had come and prepared
to make his last days as comfortable as possible. The dog occu
pied a bed in the wood shed and each
day appeared to be growing weaker.

Tuesday Mr. Anderson started out
on a walk to the creamery and when
near the hospital was amazed to see
"Knut" come bounding along behind
him. The faithful pet pounced upon
his master and by vigorous manipu
lation of his tail manifested his joy.

He has since been around as active
and contented as any ordinary cur.
Mr. Anderson is at a loss to understand
"Knut's" seemingly remarkable recovery.

WARNING TO RAILROAD MEN

E. S. Bacon, 11 East St., Bath, Me.,
sends out this warning to railroaders:

"A conductor on the railroad, my
work caused a chronic inflammation of
the kidneys, and I was miserable and
all played out. A friend advised

Foley Kidney Pills and from the day

I commenced taking them, I began to
regain my strength. The inflammation
cleared and I am far better than I
have been for twenty years. The
weakness and dizzy spells are a thing
of the past and I highly recommend
Foley Kidney Pills."

CASSIAN

Crop conditions in the state, with the exception of rye, are in normal condition, according to Secretary W. G. Rowlands of the state agricultural board. Winter wheat and other cereals are in better shape than last year when the late frost played mischievous with the crop. No reason can be assigned for the backwardness of rye. Fruit is in much better shape than last year. Farmers are complaining on account of lack of rain.

Little Love God Continues to Keep Unusually Active in Rhinelander

Mettayer-Greene

Miss Eva Mettayer and B. W. Greene, both of Rhinelander, were married by Rev. Dr. Lienfelder at St. Mary's rectory at 8 o'clock Thursday evening. The ceremony was attended by only a few relatives and immediate friends. A supper was served following the wedding at 5½ Davenport Street.

The bride is the daughter of Al. Mettayer, a former well known restaurant man of this city, and has innumerable friends here. Mr. Greene has lived in the city several months and is esteemed by his acquaintances. In the spring the young couple will move to St. Paul, and Two Rivers.

Miss Dora Goerlinger and Roy H. Sewell were quietly united in marriage last Sunday at the bride's home in Clintonville. After a trip to Milwaukee and Chicago they will come to this city to reside. They will be at home after May 15, at 721 Arbutus Street.

Mr. Sewell is a traveling salesman for the Valvoline Oil Company, of Madison and has a bevy of friends here who wish him and his bride much happiness.

Whalen-Cain

Miss Evelyn Whalen became the bride of Peter Cain at St. Mary's church Tuesday morning. They were united by Rev. Dr. Lienfelder. Miss Frances Dykes and Frank John were the attendants. The ceremony was performed in the presence of a large number of friends and was followed by a wedding breakfast at Henning's cafe. In the evening the young couple entertained at a dancing party at White's hall.

The bride is a most estimable young lady, whose amiable personality has won her many friends.

The groom is the brother of Alderman Pat Cain and is well liked by all who know him. Mr. and Mrs. Cain have commenced housekeeping on Alban Street, north side.

Farnsworth-Brown

Mrs. Minnie Farnsworth of this city and Al. Brown of Moose Jaw, Sask., were married last evening at the residence of Mr. and Mrs. B. T. Plugh. Rev. Clemons, pastor of the M. E. church, officiated.

Mr. and Mrs. Brown departed on the West bound Soo train this morning for their home in Moose Jaw. The best wishes of many friends accompany them.

THE ANNUAL WORRY

To take 'em off
Or not?

That's the question.
Whether it is better
To invite

The pneumonia,
Grip,

And a few miscellaneous germs
To camp on your neck,
Or to swelter

A few weeks longer.
Is a question
Every man

Must decide
For himself.

But as a general proposition
It is safe to follow

The good old rule—
When in doubt,

Leave 'em on.

MOTHER'S DAY, MAY 14

Woodmen Of Rhinelander Will Observe The Occasion.

Modern Woodmen of Rhinelander are planning to observe Mother's Day Sunday, May 14. This is a day set aside by the order for the paying of respect by Woodmen to their mothers Sunday, May 14, is Mother's day. On this day every Woodman is asked to wear a white flower in honor of his mother. If she lives in his home, he is asked to give her a bouquet of white carnations, or, if she is residing nearby, to visit her; if she resides too far away for a personal visit, write her a letter; if she is dead, place a wreath of white flowers over her grave; but, whether living or dead, all are asked to wear a white flower on Sunday, May 14. The Woodmen are asked to have the members in the local camps join in a public observance of the day.

FACTS FOR BASE BALL FANS

The greatest number of stolen bases was made by Harry Stovey of the Athletics in 1888, when he pilfered 156 bags.

The longest distance throw of 426 feet 9½ inches was made by Sheldon Lejeune, now a member of the Brooklyn Nationals at Cincinnati, Oct. 12, 1910.

The greatest number of games pitched in a season were seventy-two by Radbourne of Providence in 1884.

Curve pitching was first used by Arthur Cummins in 1876.

Over hand twirling was authorized in 1884.

First no hit game in history of game was played in Iona, Mich., Aug. 17, 1876, between the St. Louis Reds and the Cass Club of Detroit. Jim Galvin pitched for the Reds.

THE WELD THAT HELPS

and why

THERE ARE MANY REASONS WHY YOU SHOULD USE THE ONLY ELECTRICALLY WELDED FENCE MADE

"Pittsburgh Perfect" Fence

FOR FIELD, FARM, RANCH,
LAWN AND POULTRY PURPOSES

Scientifically constructed and unlike any other; no wraps, clamps, ties or twists. All wires electrically welded makes our fence as strong at the joint as at any other point, which adds years of life to the fence and it makes it superior to any other. Stay same gauge as intermediate line wires, the point that counts for lasting strength and service.

Made of OPEN HEARTH WIRE, near like old time iron wire, cooed for superior to Bessemer Steel, and galvanized by our own improved process.

ANSWERS FINAL CALL

Mrs. Martin Iverson Dies From Apoplexy Last Sunday

After a short illness with apoplexy Mrs. Martin Iverson answered the final summons at her home on the north side Sunday morning. The lady's death came as a sorrowful surprise to her friends among whom she was dearly loved. Several years ago she suffered two paralytic strokes which had since left her in shattered health.

Mrs. Iverson is survived by her husband and one daughter. She was forty-six years of age.

The funeral was held this Thursday morning from St. Augustine's church, Rev. Fr. Johnson conducting the services. The Mystic Workers attended in a body. A profusion of flowers told of the high regard in which deceased had been held.
